in the most comprehensive survey of the crimean tatars from the foundation of the glorious khanate in the fifteenth century to genocide and the struggle for survival in the twentieth century alan w fisher presents a detailed analysis of the culture and history of this people the author clarifies and assesses the myriad problems inherent to a multinational society comprising more than one hundred non russian ethnic groups and discusses the resurgence of nationalist sentiment the efforts of the crimean tatars and others to regain territorial rights lost during the stalinist era and the political impact these movements have on contemporary soviet affairs

crimea s multiethnicity is the most colorful and politically relevant expression of ukraine s regional diversity history memory and myth are deeply inscribed in crimea s landscape these cultural and institutional echoes from different historical periods have played a crucial role in post soviet ukraine in the early to mid 1990s the western media policymakers and academics alike warned that crimea was a potential center of unrest and instability in the aftermath of the soviet union s dissolution however large scale conflict in crimea did not materialize and kyiv has managed to integrate the peninsula into the new ukrainian polity this book traces the imperial legacies in particular identities and institutions of the russian and soviet period and post soviet transition politics both frame crimea s potential for conflict and the dynamics of conflict prevention as a critical case in which conflict did not erupt despite a structural predisposition to ethnic regional and even international enmity the crimea question is located in the larger context of conflict and conflict prevention studies jacket

winfried baumgart s masterful history of the crimean war has been expanded and fully updated to reflect advances made in the field since the book s first publication it convincingly argues that if the war had continued after 1856 the first world war would have taken place 60 years earlier but that fighting ultimately ceased because diplomacy never lost its control over the use of war as an instrument in power politics with 19 images 13 maps and additional tables as well as a brand new chapters on the medical services this expanded and fully updated 2nd edition explores the origins and diplomacy of the crimean war the war aims and general attitudes of the belligerent powers russia france and britain non belligerent german powers austria and prussia and a selected number of neutral powers including the united states the characteristics and capabilities of the armies involved the nature of the fighting itself the crimean war 1853 1856 examines the conflict in both its europe wide and global contexts moving beyond the five great european powers to consider the role and importance of smaller states and theatres of war that have otherwise been under served to this end it looks at fighting on the danube front the black sea the baltic sea the caucasian battlefield as well as the white sea and the pacific with final chapters devoted to the paris peace congress of 1856 the end of the war and its legacy this book remains the definitive study of one of the most important wars in modern history

examines the situation of the crimean tatars since the breakup of the ussr and of their continuing strutle to find peace and acceptance in a homeland

editors may 1749 sept 1803 ralph griffiths oct 1803 apr 1825 g e griffiths
